I agree to purchase a 60 pound share of the grass-fed and organically fed meat and poultry harvest from Hettie Belle Farm, which will be distributed monthly November-March. I understand that the contents of the distribution (the combination of cuts and products) may fluctuate during the season. Hettie Belle Farm makes no explicit guarantees of specific cuts, other than to provide an equitable distribution that totals 60 pounds. Meat will be processed at a USDA inspected facility and poultry processed at a state inspected facility.
