1. What are their strengths for the Town Coordinator Role?

She is positive, energetic, fair minded, hard working and very approachable.

His willingness to jump in and learn and his awareness of how long it will take to get to know the job

2. What they need to learn to be successful?

I hope she learns how to run the mini-splits at the Town Hall. Seriously though, if she lacks MGL procurement law knowledge we have a willing mentor in Andrea. She'll need to learn how to read where people are coming from when they make requests (or demands) of her.

Learn how to get things done in this VERY small town
