

Prison Camp Work To Start At Warwick

WARWICK — The state's third prison camp will be built this summer in Warwick State Forest, according to an announcement by Charles H. W. Foster, state commissioner of Natural Resources.

A public hearing was held in the Town Hall May 19 and no major objections were raised to having the 50-inmate camp built on the site of the former CCC camp on Richmond Road in the northeast section of the town.

Foster said he has notified the state Department of Correction to go ahead with construction of the camp, estimated to cost \$150,000. The camp will be more or less permanent, or until such time as there is no more work to be performed in cleaning up the forest, providing tourist camp sites and cleaning up ponds.
