(I had stepped outside in the morning, after a chilly night frost, and there was no wind, but the locust leaves continued to drop for at least 10 minutes. Surrounded and spellbound, I stood still. Swirling golden leaves blanketed the ground beneath the, now nearly, bare tree.)

Can you lend a hand?

We are nearing the time where new solar electric systems will be installed on three town buildings. One such building is our Police Station! Others are the school gym and the other half of the highway garage. Prior to the install we will need to have a new roof in place on the police station. Due to the success of the metal roof that was installed on the fire station and the highway garage, we have priced out the materials for a similar installation over the existing shingles which would meet the requirements for the solar panel installation. For this we are hoping to gather as a community as we did for the Fire Station and organize a group of volunteers to assist in the town-led project! The roof should be relatively simple to install considering the design. This volunteer effort would cut the cost of the whole project in half when compared to a paid install. If you or someone you know would be willing and able, please reach out to the Buildings and Energy Manager as well as the Town Coordinator with your available time frame. We are hoping to have this installation completed by early November.

All skill sets are welcome!

Thank you for your consideration and for being the reason that Warwick has excelled in our efforts to reduce energy costs and improve our community AS a community!

PS. Warwick just received confirmation that the federal rebate check, worth over \$73,000, for the solar panels on the fire station will be in our hands by the end of January. We will know soon if we got the Green Communities grant for the three new arrays, which will also qualify for the rebate.

Warwick Trails Group

There is no November hike scheduled.

The all volunteer Warwick Trails Group maintains some of Warwick's town owned trails, hikes and maps existing trails, plans and creates new ones, and occasionally leads hikes around Warwick.

Community Garden News

Save your seeds!

The community garden is winding down for a winter rest.

Has your garden gone to seed? Do you have seeds left over that you never planted this past year?

As your garden slows down, save your seeds for a winter seed swap.

The last Saturday in January is National Seed Swap Day!

We plan to have a seed swap in Warwick sometime around then.

A seed swap is a gathering where gardeners, farmers, and plant enthusiasts meet to exchange surplus, saved, or donated seeds. Sample new varieties and share your favorites with others!

Attendees browse the selection and take home what they want. You do not have to bring seeds to take some, though bringing your own saved or extra store-bought packets is encouraged.

Warwick Historical Society

by Andrea Woods

While “working” (much too enjoyable to be called work) at the WHS one Sunday this summer, I came upon an item that I hadn’t thought about in... 50 years!

This patchwork quilt and a scroll in Old English was created by my elementary school class in 1976 and presented as a gift to the Historical Society to commemorate the Bicentennial which, if you were in Warwick then, you’d remember was a Very Big Deal.

Our own Jan Norris was instrumental in making this project come together along with our beloved 4-5-6th grade teacher Anne Rogers (remember Anne’s Dairy Drive In in Orange?).

This is one of the many treasures at the Historical Society building. The quilt hangs proudly on the first floor (room 1A). And (snap of a finger) 50 years has passed and we celebrate our great country’s 250th anniversary. More info at <https://warwickma.org/historical-society/>

WHS will be at the Holiday Craft fair on Nov. 28th
in hopes that you might purchase an item for a holiday gift

Astronomy Club

Night sky viewing, weekly on Tuesdays at 8pm! As long as skies are clear, we'll be gazing upwards each week behind the Trinitarian Church at 32 Athol Road (behind the community Garden).

We have a great telescope to work with, or you can bring your own along. As a reminder, the Library has its own telescope available for loan.

This is a very amateur endeavor, so bring your knowledge and enthusiasm, and we can learn together!

Dear Friends,

“When day comes we ask ourselves, where can we find light in this never-ending shade? The loss we carry, a sea we must wade. We’ve braved the belly of the beast. We’ve learned that quiet isn’t always peace. In the norms and notions of what just is isn’t always justice. And yet, the dawn is ours before we knew it. Somehow, we do it. Somehow, we’ve weathered and witnessed a nation that isn’t broken, but simply unfinished. We, the successors of a country and a time where a skinny Black girl descended from slaves and raised by a single mother can dream of becoming president, only to find herself reciting for one. And yes, we are far from polished. Far from pristine. But that doesn’t mean we are striving to form a union that is perfect. We are striving to forge our union with purpose, to compose a country committed to all cultures, colors, characters and conditions of man. And so, we lift our gazes not to what stands between us, but what stands before us. We close the divide because we know, to put our future first, we must first put our differences aside. We lay down our arms so we can reach out our arms to one another. We seek harm to none and harmony for all. Let the globe, if nothing else, say this is true. That even as we grieved, we grew. That even as we hurt, we hoped; that even as we tired, we tried; that we’ll forever be tied together, victorious. Not because we will never again know defeat, but because we will never again sow division. Scripture tells us to envision that everyone shall sit under their own vine and fig tree, and no one shall make them afraid. If we’re to live up to our own time, then victory won’t lie in the blade, but in all the bridges we’ve made. That is the promise to glade, the hill we climb if only we dare it.” (Amanda Gorman, The Hill We Climb)

As we begin the colder months of the year, the changes to our lives and various physical and internal struggles are heightened. We are flooded with waves of emotions stirred by election day, Thanksgiving, Christmas, the ending of one year, and the start of a new year. For some these months hold joy, for many these months dawn fear, anxiety, and a sense of uncertainty. At this moment I sense much anxiety, fear, and uncertainty with the unrest between nations, the intensifying divide within our nation, and the pending results of an election. I cling to hope through God’s promise of peace and the call for us to live as peacemakers. Part of living out that call, as Matthew 22:39 told Jesus teaching, is to “Love your neighbor as yourself.” Amanda Gorman’s words embody the hope for the peace we seek and our responsibility of peacemaking. May the words of the cherished song, “Let There Be Peace on Earth” be your mantra in the days and weeks ahead: “Let peace begin with me; let this be the moment now. With every step I take, let this be my solemn vow: to take each moment and live each moment in peace eternally. Let there be peace on earth, and let it begin with me.”

With the help of Trinitarian Congregational Church and, I pray, with the help and participation from all of you - individuals, town departments, and organizations - within and connected with Warwick, I am putting together an outdoor Warwick Illumination Night on Saturday, December 12, 2026 from 5:00 - 7:00 PM. The purpose is to bring the community together for a fun and simple evening, fostering hope, joy, peace, and love; illuminating our paths in the darkness we may each be journeying through. I believe that this is something that we all are in need of today. Leading up to December 12th, I encourage members of the community to decorate their properties with holiday lights and light-up on that night. Trinitarian Congregational Church will host a display of nativities with a statement from each owner of how their nativity set holds meaning. The community will gather together to share hot chocolate/coffee, sweets, music and caroling, stories, and prayer. Please speak with me for interest in providing something to this community event by phone, email, or visiting the church on Sunday morning or while I’m at the church office Wednesdays from 1:00 - 5:00 PM. Together let us show that peace exists. Together let us bring joy of being in community. Together let us provide a place to feel hope amid our waves of emotion. Together let us love our neighbor and serve as lights in the dark of night.

May you see, hear, and feel the abundant blessings in your life. Take the time each day to acknowledge the things which enrich your life and be thankful for them. It is easy to be thankful when things are going our way but even more powerful when we can be thankful during the hardest times of our life. Give thanks.

In the Peace of Christ,

Jordan Daigle
 Lay Minister

From the Warwick Community School and District

Dear Warwick Community,

This month brings much to celebrate at Warwick Community School! As our students explore, collaborate, and grow, we are looking forward to a beloved outdoor tradition and celebrating an extraordinary member of our teaching team.

A Mountain Day to Remember

On Friday, October 23, our school community adventures up Mount Grace for Mountain Day, one of our twice-yearly full-school celebrations of learning in and about nature. Students, staff, and families hike together and enjoy a picnic lunch prepared by our very own Chef Robin. This tradition connects our school's past and present. School-wide hikes were part of life at the former Warwick Community School, and founding superintendent Dr. Carole Learned-Miller brought inspiration from Mountain Day at her Alma mater, Smith College. Today, our own tradition reflects our commitment to nature-centered learning, shared challenges, and the joy of discovering together.

This year, we will have special company at the summit: Massachusetts Commissioner of Education Pedro Martinez and members of the Department of Elementary and Secondary Education will join us to recognize Nettie Harrington Pangallo!

Celebrating Nettie Harrington Pangallo

We are thrilled that Nettie, our fifth- and sixth-grade teacher, who also teaches music to students in grades 1-6, and serves as a mentor teacher to our new staff, has been named one of three finalists for 2026 Massachusetts Teacher of the Year. Anyone who visits Nettie's classroom can feel the calm, welcoming environment she creates. Student-generated norms, artwork, and writing reflect a classroom where children's voices matter. Her innovative, inclusive, nature-based teaching and unwavering commitment to Warwick's children and families make this recognition especially meaningful. Nettie's students have been busy this month, participating in a field trip to Morse Hill, developing skills as peer mediators, and studying the Universal Declaration of Human Rights alongside the novel *Esperanza Rising*. These experiences connect academic learning with collaboration, responsibility, and understanding others.

Congratulations, Nettie, and thank you for cultivating curiosity, care, and community that brings the vision of Warwick Community School to life for so many! You inspire us and we're so proud of you!

With gratitude,

Dr. Kate Carbone, Interim Superintendent

Stephen Stroud, Principal

Jess Marshall, Director of Operations

Dear Friends,

Thanks to all of you who donated last year as well as in-kind donations from community members, our youngest students are now enjoying a fully accessible nature discovery yard! Special thanks to Larry Kilroy, who built our fence, and Brandon Schillemat, who built our mud kitchen. We are so grateful for our generous community!

In the coming year, we have more bold goals set. Here's how you can help!

1. We have families who are in need of tuition assistance to ensure their children can attend preschool at the Warwick Community School. To meet this goal, we need to raise \$5018.40.
2. We seek to continue to fund our partnership with Professor Paul Bocko at Antioch University. To make this possible, we need to fundraise \$3780.
3. We hope to break ground on Phases 2 and 3 of the nature discovery yard and playground in the next year. We will need \$150,000 through grants and donations to meet this goal.

Please consider donating your time or \$10, \$25, \$100, \$1000 or more using this link:

givebutter.com/WCSF-2627 or the QR code below. In addition to money, we are eager to welcome more in-kind donations! Local supporters have offered their carpentry and gardening skills, and we welcome ideas about grants or grant writing skills from anyone in this community. Please reach out to us at warwickcsfoundation@gmail.com if you have any interest in this in-kind support.

Warmly,

Carole Learned-Miller & Laura Fries
Warwick Community School Foundation, Co-Presidents

TECHNOLOGY HELP (& Social) DAYS

After Senior Meal at the Town Hall on Tuesdays, walk across the street to join the Tech Help gathering, or come on Thursday mornings. ***There are no silly questions and no problem is too small.***

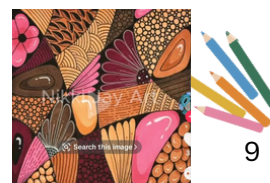

Or... just join our conversations, have a coffee, play a card game, do a puzzle, Learn to "tangle"

Feel free to bring a friend for cards, cribbage, and backgammon... Anyone interested in darts? Sometimes on Tuesdays we have live music on the porch. **Stop in and tell us what you would enjoy doing** while hanging out with friends.

All are welcome!

Hours of operation at the Downtown Inn are:
Tuesdays 1:00 - 4:00 and Thursdays 9:00 a.m. until noon

Blessing Bags

The TCCWarwick Mission Committee is beginning a new endeavor, called Blessing Bags, and would like the Community to consider helping to contribute to these bags. These bags will be distributed to the homeless and needy.

There will be a collection site at The Craft Fair, in the cafeteria on November 28th, Saturday, 10 to 3, then the collection site will be in the parlor of The Chapel.

The following items are suggested, but not limited to include:

- Winter hat, scarves and mittens, all sizes
- Band-aids
- Toothpaste
- Toothbrush
- Washcloth
- First aid kit, small
- Water, small bottle
- Applesauce, small packages
- Crackers
- Gallon ziplock plastic bags

Money is also acceptable, so members of the Committee may shop for items. Checks made out to TCCW and place Blessing Bags on memo line. Thank you, in advance! Checks may be mailed to TCCW, Athol Rd. Warwick, MA, 01378

In appreciation from the Mission Committee Members:

Andrea Woods, Karro Frost, Clare Green, Natasha Daigle, Mary Humphries, Jaylin Dibble

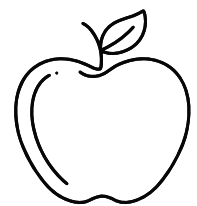

Warwick Cider Days

Saturday, November 7th, 2026

10 to noon, rain or shine!

Town Common, near Historical Society Building

Come one! Come all! Bring the family! All ages welcomed!

Join the fun of making old fashioned apple cider, by cranking a cider press.

We'll have paper cups, so you can taste it, and if you like it, bring a wide mouthed glass jar to collect more cider to take home.

Bring your apple drops and apples, if you have them, but come to enjoy the process and camaraderie.

We hope that this will be the first of many cider pressings on the Town Common.

Next year, it will be held the first weekend in October. Mark your calendars!

We hope to see you, even if you want to just sit at a picnic table and enjoy watching everyone else do the work.

Accomplished cider makers, Dick and Pat Shepardson, have graciously offered their expertise to the day! A special thank you, to Dick and Pat!

The purchase of the cider press was funded by the Warwick Celebrations Account.

Library News

Library Passes: Current Library passes include: Brattleboro Museum of Art, Clark Museum, MA State Parks, MassMOCA, New Salem Museum, and OIC Makerspace in Orange (Saturday tutorials only).

In fond remembrance of Janet Alden: The Library would like to acknowledge the passing of past Librarian and Library Trustee Janet Alden. Janet used her time, skills (and passion for reading) for the benefit of the Library for many years. We sincerely thank her family for designating the Library for donations in her memory which we greatly appreciate.

***NEW* StoryWalk® Finder:** The Massachusetts Center for the Book is proud to launch a new statewide online resource called StoryWalk® Finder—it can be found at: <https://www.massbook.org/mastorywalks-finder>. The StoryWalk® Finder page has a list of StoryWalks, Trail Tales, Story Strolls, etc. in the state that are permanent* in their location. (* With extreme weather conditions [icy trails, etc.] there are times when they might not be accessible. Each location has a contact website for people to reach out prior to going.)

NEW* monthly program series: *Tea & Topics w/Sam the public health nurse - Monday, November 9th from 2-3 pm: Managing Stress Heading into the Holidays: Meet with friends, neighbors and Samantha Piragis from the North Quabbin Health Collaborative to chat about important health topics and enjoy a refreshing beverage. Registration is not required.

Non-Fiction Discussion group (monthly) - Thursday, Nov. 12th @ 7 pm (2nd Thursdays): This discussion group is wide open. Come to share/discuss or just to listen and build your reading list.

Monthly Short Story Hour - Agatha Christie's Miss Marple, Nov. 5th (first Thursday due to holiday/program scheduling) @ 7:30 pm: We'll read some of Agatha Christie's famed Miss Marple stories, first published in 1932. Miss Jane Marple, the famous amateur sleuth, is a blue-eyed spinster possessing shrewd insights into human nature and the criminal mind. Come to read or just to listen.

Book reading with young adult Fantasy writer Jorma Kaukonen - Thursday, Nov. 19th @ 6:30 pm: Jorma, who is based in western Mass, has just published the fourth entry in his book series, A Pendale Tale. The stories take place in a fictional town based in our "bucolic" part of our state. The main audience for the series is kids aged 13–18 years, although all ages can enjoy them. Jorma will have copies of his books available for sale.
